Gentlemen:

Can you inform me when you are likely to hold your next sale? I expect to go to Philadelphia on business next month and should like to fix it so as to attend your sale. I am in the market for a large amount of coins but as we seldom can get together I suppose it is useless to try, in a retail way at least.

Trusting that business

is good with you,

Yours truly,

Gentlemen:

Your favor of 16th inst. received and thank you for the information. Am very glad to know that you are going to sell the Mills' collection, but isn't it a pity that so many of his rarities have been disposed of at private sale, as they would have added much to the interest of the sale.

I was not aware that I have ever obtained from you any coins, rare or otherwise on approval that you did not receive cheque by return mail with the exception of some 1800 + 1801 cents which on account of your quoting me retail prices I was obliged to return. There is no reason why I should assume to carry a stock of rarities belonging to anybody else, as I have at present a very large amount of rarities and only want at times the commoner coins. It is possible I may be able to supply some of my wants out of your stock when I come to Phila. as I never buy coins of any kind without first seeing them. Am pleased to know that your business is OK.

Yours respectfully Geoffrey Charlton Adams

Gentlemen:

Well, Low is to have his big Sale on Oct 11 & the Cat.
is out. I presume you have seen it though I am told
that you are "outside the pale" as regards Catalogues in
the States. But, if you don't want to have his death
on your conscience, don't write him any more letters on the
1864 Dollar. I am told that he nearly had a stroke when
he read your letter. In spite of all, I believe the piece
will go very high, would not be surprised if it was
bought for a large sum by somebody who is not a
collector of coins at all. There are rumors of it.
I shall not be present at Sale, having refused
all bids, neither will Frey and one or two others that
he has inserted at various times. My Sale takes place
on 7th and I hope to have the time to attend your
when it takes place. Trusting that business is good
with you

Gentlemen

Your esteemed favor of Nov 29 at hand and noted. I am aware that your bids were sent to Mr Kennedy but I am inclined to think that owing to some differences which he and you have had in the past, he preferred not to execute the bids. This is only a supposition on my part however and I prefer not to be quoted. The Sale was a record breaker from the point of view of attendance and prices. The Stella reached the top record as well as did the 90 C. Ecuador Stamp. You may be sure that having your experience in mind, I gave all the stamps the benefit of my close examination and they were OK. Thanking you for your good wishes I am

Sincerely
Geoffrey Charlton Adams
